There are also increasingly more online services that promise to remove personal data from online sites for you. Here are some that we have not vetted, and we do not endorse, but that we have not seen any bad information about. If you have any feedback about any of them, or have more links for us to add to the previous page, please let us know. [info@privacysecuritybrainiacs.com](mailto:info@privacysecuritybrainiacs.com)

- Agency: “Remove Your Personal Info from Google and 180+ Sites for Only USD \$30”:  
<https://getagency.com/L/optoutoffer/>
- BrandYourself: “Improve your online reputation. Protect your online privacy.” No prices provided on their website. <https://brandyourself.com/>
- DeleteMe: “When someone Googles you or your family/location/income/credit score/property/age/life — data brokers are selling your personal info.” From USD \$10.75/month to USD \$19.08/month.  
<https://joindeleteme.com/privacy-protection-plans/>
